

Roissy Photography Challenge

Capture the beauty, community, and unique moments that make Roissy Val D'Oise special! Whether you're an experienced photographer or just enjoy taking snapshots, this challenge is all about exploring the sim and having fun.

How to Participate

- Take photographs in Second Life that match the prompts listed below.
 - Organize your completed images on a notecard.
 - You do not need to appear in every photograph unless the prompt specifically requires it.
 - All photographs must be taken by you in Second Life.
 - You may use AI tools or image editing software to enhance your photos
 - (Except for any images that will be entered into the Gallery Competition later in the week. Gallery submissions must remain unedited.)
 - Each completed prompt is worth 1 point unless otherwise specified.
 - You are welcome to complete all, some, or just one of the prompts. Every point counts!
 - All photographs must be taken during the week of the event. Older photos will not be accepted.
 - Please organize your photos using a notecard with each prompt clearly labeled.
 - Submit your completed notecard to veeves Renfold before the event deadline (Thursday by 7 PM SLT)
-

Photo Prompts

Your Favourite Spot in Roissy Val D'Oise

Show us the place you love most in the sim and capture what makes it special.

A Hidden Corner

Find a location that many residents may not know about or don't often visit. Surprise us with a unique perspective of Roissy.

A Moment of Service

Capture an act of service within the community. This could include serving drinks, helping another resident, greeting guests, working at a venue, or any moment that reflects the spirit of Roissy.

Worth: 1 point

Black & White Artistic Photo

Take a creative photograph using a black-and-white filter or editing style. Focus on mood, lighting, composition, or storytelling.

You & Someone You've Never Spoken To Before

Introduce yourself to someone new and capture a photo together. This challenge is all about meeting new people and making new connections within the community.

Group Photo (4 or More People)

Gather a group and capture everyone together.

Scoring:

- 1 point for each person in the photo.
- Example:
 - 4 people = 4 points
 - 6 people = 6 points
 - 10 people = 10 points

Please note:

- Alternate accounts (alts) may NOT be used to increase your score.
 - All participants must be real residents.
-

Tips

- Experiment with different camera angles and lighting.
- Don't be afraid to zoom in or shoot from unexpected perspectives.
- Capture genuine moments rather than staged ones whenever possible.
- Explore the entire sim. You might discover places you've never noticed before!

Most importantly, have fun, be creative, and use this challenge as an opportunity to explore Roissy, meet new people, and see the community through a different lens.

Good luck!
